Mrs. Sharmila Mukerjee and Mr. Samitava Mukherjee in the workshop 'Beyond the Classroom'.

On Thursday, 30th August, Mrs. Sharmila Mukerjee, Section – Head, Middle Section and Mr. Samitava Mukherjee, IBDP Coordinator, attended a workshop – ‘Beyond the Classroom’, organized by Trailblazers in Kolkata.

The workshop aimed at creating a revolution in pedagogies, helping teachers incorporate a more fun, engaging and interdisciplinary approach to learning using outdoor training modules.

The day-long session was filled with indoor and outdoor activities as well. These helped in understanding how concepts can be grasped through simple fun activities while promoting a spirit of enquiry and critical thinking. The emphasis was on enhancing students' sense of responsibility, accountability and awareness about their everyday choices and how these affect the environment and society at large.

Snapshots of students of Middle Section in the MHS Interschool Fest - Mitali

First place in Model Making

First place in Photography

Special Mention in Dance -
Rouff, Kashmiri folk dance

Second place in ART

Twenty four students of CIS Middle Section participated in “Mitali”; an inter-school fest held for Middle School students, hosted by Modern High School for Girls. At the fest there were seven events- a Quiz, Elocution competitions in Hindi and Bengali, Dance competition, Model Making, Photography, Art event and Cooking without fire.

CIS placed **First in Model making** by showing how the hexagonal shape found in beehives is utilized by mankind in various fields such as architecture, educational models and mathematics.

CIS secured the **First place in Photography** for capturing a series of unique photographs featuring flora, fauna together with human subjects. The series was captioned- *Hide and Seek* by the winning pair.

Portraying beauty of nature through their effortless brush strokes, CIS placed **Second in Art**.

Furthermore, the dance performance by CIS students received a **special mention** for the significant message on environment that was portrayed through the graceful Kashmiri folk dance- “Rouff”.

Congratulations to all the CIS volunteers of Grades 10 and 12 for being awarded the Certificate of Support from LP4Y team and completing the project.

Fossil Making

Grade 6 Geography Activity

The students of Grade 6 did an activity on **Fossil** making to appreciate how the geologists have been reconstructing the history of the earth through fossil studies. This activity was done in context to the history of the earth - the various changes it has undergone and the evolution of life over a period of time. The activity started with a Flipped Classroom session where a student guided the class on the art of fossil making. This was followed by a lesson where this learning was put into practice. The students also made interesting charts on dinosaurs to recreate the Jurassic Age in their classrooms.
