It is a cultural exchange program where students will be involved in various Creativity, Activity and Service experience with other IB school students along with exploring Czechoslovakia.

# Visitors from Wales

A three member teacher's delegation from Wales visited CIS Campus on 16<sup>th</sup> March 2018. The objective of the visit was to share and learn the integration of expressive arts practice into learning in and out of the classroom. The team interacted with the management, section heads and teachers. The team also interacted with the students of Grade 7A to see how Art was integrated into learning Biology.
