# Grade 8 students involved in their ISA Science Project

*As part of their ISA Science project, Grade 8 surveyed the menace of plastic pollution in water bodies in and around Anandapur and also collected water samples.*

Students testing collected water samples to measure 'dissolved oxygen' in the school laboratory.

Iodometry titration done by students using the collected sample of water to calculate BOD (Biological Oxygen Demand).

## Grade 6 displays their Mathematics and Biology work

Food Chain display by Class 6

**Congratulations!!!**

**Yugadekrit Kajaria**

**of Grade 8**
