# Netherlands Diary

Twenty students from classes 9 and 10 went on an Educational Exchange Programme with Alfrink College, Netherlands accompanied by three teachers Ms. Anusuya Paul, Ms. Susmita Mukherjee and Mr. Bagli. The students got a very good opportunity to learn about the Dutch culture. Their days were planned with project work on Refugee Problem along with visits to the Humanity House, Museums and some fun activity like Trampoline Park, Gymnastics workshop, Bollywood dance workshops. They also went for a day's outing to Rotterdam where they visited the Harbour and the Dykes which gave them an idea of the land-level being lower than the sea level. The trip came to an end with a visit to the Van Gogh Museum in Amsterdam and a tour around the capital.
