HABITAT FOR HUMANITY, INDIA

Every year **Habitat for Humanity, India**, organises an event to acknowledge the contribution of students to their Fundraising and Build Programme. Top Five contributors from the school are invited to join the event along with a School Representative. This year they had arranged a virtual Meet and Greet Session on 7th of August, with the renowned actor, Mr. John Abraham, who is also the Brand ambassador for Habitat for Humanity. Mr John Abraham addressed the audience where he spoke about his commitment to the projects of Habitat for Humanity.

Calcutta International School was selected as one of the Top Contributor Schools in India for the year 2018-2019.

The top 5 student contributors from Calcutta International School were:

- Himani Todi-A2
- Megan Liao-Grade 10
- Aryaman Agarwal-Grade 9
- Praha Chakraborty-Grade 9
- Pia Sawhney-Grade 10

The session was attended by Dr Munmun Nath, Principal of Senior School as well.

COMMUNITY INVOLVEMENT PROGRAMMES

On 15th August, Ipsita Maiti of A-Level participated in the flag hoisting ceremony at Rabindra Sarobar to celebrate the Independence Day, along with a group of underprivileged child. She donated books, pens and exercise books to support the educational programmes of 30 children.

As a part of the activity of the Interact Club, on the 12th of August, our Senior School Principal, Dr. Munmun Nath, along with Arham Choraria of the graduating batch planted some saplings on the school field. It was a small step towards making our school greener and healthier.

CLASSROOM ACTIVITIES

French lesson in Grade 8 - Tintin in Kolkata. The students rewrote Tintin's story in Kolkata's context.

ENGLISH LANGUAGE in Grade 8: The students learned about Language of Persuasion the various techniques such as Ethos-Pathos-Logos. The students then created digital platforms to promote or advocate for a cause using those language features.

FRENCH LESSON in Grade 6: Students used Padlet to publish a recipe of their own in French language.

CIVICS in Grade 6: Students learned about the Directive Principles of State Policy. They selected one product of the cottage industry from their home or online and drew them in their class work copies. (To promote cottage industry - a Gandhian principle which they learnt in the chapter)
