Investiture Ceremony

"A leader is one who knows the way, goes the way and shows the way."

- John Maxwell

The role of a prefect or a captain is not just a title, but a commitment to uphold the values and principles that a school stands for. It is a privilege that comes with the duty to lead by example, inspire others, and nurture a positive learning environment.

CIS takes immense pride in the selection of the Junior School Student Council members. They have been chosen not only for their academic achievements but also for their integrity, empathy, and willingness to contribute positively towards the school community.

The Investiture Ceremony of the Junior School Student Council for the Academic Session 2022-23, was held on Friday, 28th July, 2023 not only to award the badges to the office bearers of the Student Council of the Junior Section, but also to confer responsibilities to the students as they took their pledges to fulfill their duties honorably in the presence of Principals - Mrs. Nayar and Mrs. Servaia, GM - Mr. Dutta, the Section Heads, House Masters and Mistresses, their teachers and peers.

The ceremony commenced with the propitious lighting of the lamp followed by words of motivation by Mrs. Nayar and Mrs. Servaia. The programme was musically embellished with the tuneful interludes by Grade 5 students, Aveer Sharaff and Demira Mukherjee. The Captains, the Vice-Captains and the Prefects marched smartly onto the stage to take the oath and be adorned with the badges.

The Captains from Senior School joined the newly badged Junior School team to motivate them and share words of encouragement.

Ex School Captain, Prithviraaj Jhunjhunwala graced the occasion to witness the ceremony and spoke to the audience and council members about his journey through Junior School.

We wish the newly elected Junior School Student Council 2023-24 all the very best as they take small steps towards becoming good leaders and role models.

Grades 1 - 5

May the sun in his course visit no land more free, more happy, more lovely, than this our country.” - Sardar Bhagat Singh

The students of CIS celebrated the 77th Independence Day of India on 17th August, 2023 with much enthusiasm and joy.

Grade 1

Students of Grade 1 put up a short skit named ‘The Indian Potluck’. Here they portrayed a variety of food from all the regions of India.

Following this another group of children from the same class danced to the song ‘Indiawale’ – projecting how proud we are as Indians.

Grade 2 performed a mesmerizing ramp walk celebrating unity in diversity. The stage burst into life as they gracefully walked the ramp, adorned in traditional attire that symbolise the festivals of India. The event wasn't confined to well known festivals; it included lesser known yet significant occasions like Gudi Padwa and Navroz. The students added another layer of patriotism to the celebration by singing a song on the importance of embracing diversity and staying united.

Grade 3

The Grade 3 presentation was based on the theme: Unity in diversity. The students said the sentence 'Come let us build the India of our dreams' in 11 different Indian languages and communicated to the audience the message that though they were speaking diverse languages, they were saying the same thing. The students came beautifully dressed in the attire of the different states. The presentation concluded with the melodious song, 'Mile sur mera tumhara' which emphasised the theme further. The students formed the Indian Tricolour on the stage.

The students of Grade 4 enacted out a few scenes from the Ramayana to show how this great epic and its teachings are still relevant in today's world. Through the enactments, students showcased how it is important to stay away from bad counsel, choose right over wrong and help the weak and needy. The students of Grade 4 believe that if as citizens of India, we follow these lessons diligently, India will become a country to be proud of and the world will look up to India to improve themselves.

Grade 4

The assembly concluded with a short presentation by Grade 5 in which the students showcased the hidden gems of Indian tourism and encouraged the audience to explore the country during the holidays instead of going abroad. The gathering was pleasantly surprised to see the recreation of the “Vande Bharat” on stage by the students. The programme came to an end with words of appreciation and encouragement from Mrs. Nayar, Mrs. Choudhary and Mrs. Majumdar for the students and the class teachers for putting up an excellent show.
